I want to get close  
**A**  
Much closer than this  
**Bm**  
So help me lay down  
**G**  
All of my hindrances

**D**  
Your word is a lamp  
**A**  
Helps me find my way  
**Bm**  
Clears clouds of confusion  
**G**  
Turns night into day

Jesus  
**Bm** **A** **G**  
You rain all Your love down on me  
**Bm** **A** **G**  
Even though this heart is so unworthy  
**Bm** **A** **G**  
(Your love is unfailing)

**D**  
You ransomed my heart  
**A**  
You paid a great cost  
**Bm**  
The pain You endured  
**G**  
Nailed there to that cross

**D**  
The tomb could not hold  
**A**  
Your power and your might  
**Bm**  
This forever displayed  
**G**  
Your pure love divine

**Bm** **A**  
It's deeper than the deepest ocean  
**G**  
It's higher than the skies above  
**Bm** **A**  
It's stronger than the strongest fortress  
**G**  
Is Your unfailing love  
**Bm** **A** **G**  
(Your love is unfailing)
